COLLECTION

Rio Granito proudly introduces the Carveza Collection—a stunning collection of depth, texture, and luxurious design. Each tile in this collection is intricately carved to reflect artistic precision and architectural elegance, making it a true statement piece for any interior. The Carveza Collection blends bold textures with subtle sophistication, offering the perfect harmony of luxury and craftsmanship. Whether used for feature walls, upscale flooring, or decorative surfaces, these tiles add a tactile dimension that brings life and character to both residential and commercial spaces.

The Carveza Collection is crafted to bring a refined carving effect that adds depth, drama, and definition to every surface. Each tile aligns seamlessly, showcasing a continuous carved flow that captures light and shadow beautifully. The advanced surface technology ensures not only stunning visual appeal but also long-lasting durability, scratch resistance, and low water absorption—perfect for both high-traffic zones and luxurious accents.
